Each story in Arcanum Unbounded offers a unique perspective on the Cosmere, and provides a glimpse into the different worlds, characters, and magic systems that make up this vast universe. For new readers, Arcanum Unbounded is a great way to get a taste of the Cosmere and to decide which series to start with. For longtime fans, Arcanum Unbounded offers a chance to delve deeper into the Cosmere and to learn more about the characters and worlds they've come to love.

The Emperor's Soul is a novella that tells the story of Shai, a young woman who has the ability to steal and manipulate souls. Shai is hired by the emperor to use her abilities to save his dying wife, but she soon learns that there is more to the emperor's request than meets the eye. The Emperor's Soul is a beautifully written story that explores the nature of identity and the power of love.

The Hope of Elantris is a novella that tells the story of Sarene, a princess from the kingdom of Teod who is sent to marry the prince of Elantris, a cursed city where the people are slowly turning into stone. Sarene quickly learns that Elantris is not what it seems, and that the curse is more

complicated than anyone could have imagined. The Hope of Elantris is a story of hope and redemption, and it is a must-read for fans of the Elantris series.

Shadows for Silence in the Forests of Hell is a novella that tells the story of Silence, a young woman who has the ability to communicate with trees. Silence is sent on a quest by her people to find the lost city of Silence, a legendary city that is said to be hidden in the forests of hell. Shadows for Silence in the Forests of Hell is a dark and atmospheric story that explores the nature of good and evil.

Mistborn: Secret History is a novella that tells the story of Kelsier, the leader of the rebellion against the Lord Ruler in the Mistborn series. Secret History reveals what happened to Kelsier after the events of the first Mistborn novel, and it provides a deeper look into the history of the Cosmere. Mistborn: Secret History is a must-read for fans of the Mistborn series.

The Eleventh Metal is a short story that tells the story of Wayne, a Mistborn who has the ability to use all eleven of the Lord Ruler's metals. The Eleventh Metal is a fun and action-packed story that gives readers a chance to see Wayne in action.

Allomancer Jak and the Pits of Eltania is a short story that tells the story of Jak, a young Allomancer who is sent to investigate a mysterious cave system. Allomancer Jak and the Pits of Eltania is a thrilling adventure story that is perfect for fans of the Mistborn series.

White Sand is a graphic novel that tells the story of Kenton, a young man who is chosen to be the Avatar of the Sun in the distant kingdom of Taldain.

White Sand is a beautifully illustrated story that explores the themes of destiny and choice.

Shadows of Self is a novella that tells the story of Waxillium Ladrian, a retired lawman who is forced to return to action when a series of murders threatens the city of Elendel. Shadows of Self is a gritty and suspenseful story that is perfect for fans of the Mistborn series.

The Bands of Mourning is a novella that tells the story of Waxillium and Wayne as they investigate a mysterious cult that is terrorizing the city of Elendel. The Bands of Mourning is a thrilling adventure story that is full of twists and turns.

Sixth of the Dusk is a novel that tells the story of a group of thieves who are hired to steal a priceless artifact from the Tower of Mists. Sixth of the Dusk is a standalone novel that is set in the same world as the Mistborn series, but it can be read independently.

Arcanum Unbounded: The Cosmere Collection is a must-have for any fan of Brandon Sanderson's Cosmere universe. This collection of novellas and short stories provides a deeper look into the characters, worlds, and magic systems of the Cosmere, and is perfect for both new and longtime fans alike.
