Conner was born in 1965 in Flint, Michigan. She began drawing at a young age, and by the time she was in high school, she was submitting her work to comic book publishers. After graduating from high school, Conner attended the Joe Kubert School of Cartoon and Graphic Art in Dover, New Jersey. While at Kubert, she honed her skills as a comic book artist and began to develop her own unique style.

After graduating from Kubert, Conner began working for DC Comics. Her first major work was on the 1989 miniseries *The New Teen Titans*. She

went on to work on a number of other DC titles, including *Superman: The Man of Steel*, *Action Comics*, and *Wonder Woman*.

In 1999, Conner launched her own series, *The Pro*. The series was a critical and commercial success, and it earned Conner an Eisner Award for Best New Series. Conner continued to work on *The Pro* for several years, and it remains one of her most popular works.

In recent years, Conner has returned to DC Comics, where she has worked on a number of popular titles, including *Harley Quinn*, *Power Girl*, and *The Supergirl*. Her work on these titles has been praised for its humor, its heart, and its stunning artwork.

Conner is a master of sequential art. She has a unique ability to tell a story through her images, and her work is always visually engaging. Her characters are expressive and relatable, and her action sequences are thrilling and exciting.

Conner is one of the most important comic book artists working today. Her work has helped to define the look of DC Comics for over two decades, and she has inspired a generation of artists.

Amanda Conner's Artistic Style

Conner's artistic style is characterized by its dynamism, its expressiveness, and its attention to detail. She uses a variety of techniques to create her artwork, including pencils, inks, and digital coloring.

One of the most striking things about Conner's artwork is her use of color. She uses bright, vibrant colors to create a sense of energy and excitement.

Her colors are often exaggerated, but they always serve to enhance the mood of the story.

Conner's linework is also very distinctive. She uses a combination of thick and thin lines to create a sense of depth and texture. Her lines are often fluid and dynamic, which helps to convey the energy and emotion of her characters.

Conner's attention to detail is evident in all of her work. She takes the time to create realistic and believable backgrounds, and her characters are always dressed in the latest fashion. Her attention to detail helps to create a sense of immersion for the reader, and it makes her work more enjoyable to look at.

Amanda Conner's Influences

Conner has been influenced by a wide range of artists, including Jack Kirby, Neal Adams, and Darwyn Cooke. She has also been influenced by Japanese anime and manga. Conner's influences can be seen in her work, but she has also developed her own unique style.

Kirby's influence can be seen in Conner's dynamic action sequences. Adams' influence can be seen in her realistic and detailed artwork. Cooke's influence can be seen in her use of humor and her ability to create memorable characters.

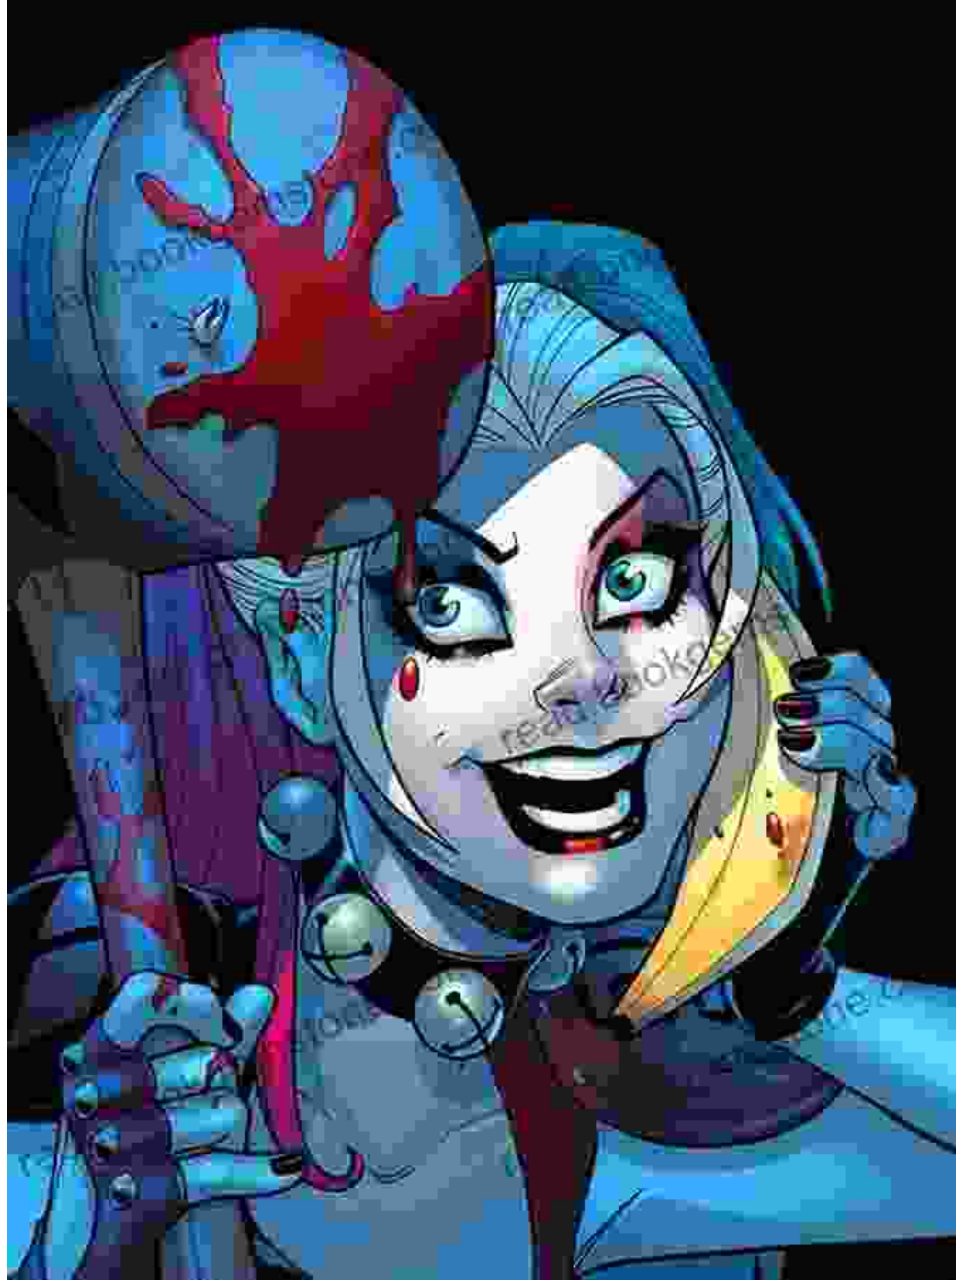

Conner's work is also influenced by Japanese anime and manga. This influence can be seen in her use of exaggerated expressions and her attention to detail. Conner's work is a unique blend of Western and Eastern influences, and it is this blend that makes her work so distinctive.

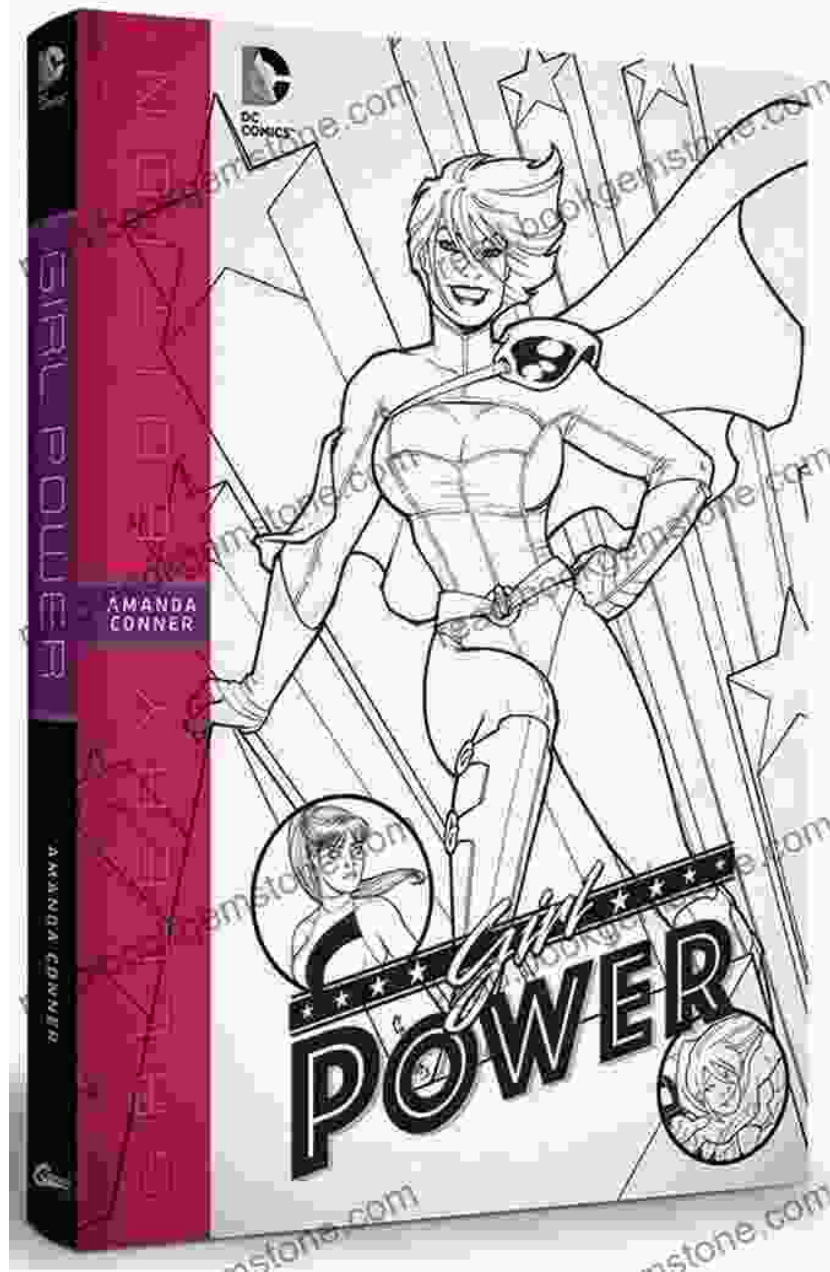

Amanda Conner's Legacy

Conner is one of the most important comic book artists working today. Her work has helped to define the look of DC Comics for over two decades, and she has inspired a generation of artists.

Conner's legacy is secure. Her work will continue to be enjoyed by fans for years to come, and she will continue to inspire new artists to create their own unique visions.
