Asia is a vast continent with a rich and diverse culture. In recent years, it has also become a hotbed for geek culture, with a growing number of conventions, events, and online communities dedicated to all things nerdy. If you're a geek looking to explore Asia, here are a few places you should definitely check out.

## **Japan**

Japan is the birthplace of anime, manga, and video games, so it's no surprise that it's also a major destination for geek travelers. Tokyo is home to a number of world-renowned geek attractions, including the Akihabara district, which is known for its electronics stores and anime shops. Other must-visit spots for geeks in Japan include the Ghibli Museum in Mitaka, the Nintendo World store in Osaka, and the Tokyo Disney Resort.

## **South Korea**

South Korea is another major hub for geek culture in Asia. Seoul is home to a number of popular conventions, including the Seoul Comic Con and the G-Star Gaming Convention. The city also has a number of geek-themed cafes and restaurants, such as the Line Friends Cafe and the Kakao Friends Store. If you're a fan of K-pop, be sure to check out the SM Entertainment building, which is home to some of the biggest names in the industry.

## **China**

China is a rapidly growing market for geek culture. The country is home to a number of popular conventions, including the ChinaJoy Gaming Expo

and the Beijing Comic Con. Shanghai is a major hub for geek culture in China, with a number of geek-themed attractions, such as the Shanghai Disney Resort and the Shanghai Animation Museum. Beijing is also home to a number of geek-themed attractions, such as the Beijing Planetarium and the Beijing Science and Technology Museum.

## **Taiwan**

Taiwan is a small island nation with a big geek culture scene. Taipei is home to a number of popular conventions, including the Taipei Comic Con and the Taiwan Game Show. The city also has a number of geek-themed cafes and restaurants, such as the Animate Cafe and the J-World Tokyo Cafe. If you're a fan of anime and manga, be sure to check out the National Taiwan University of Arts, which is home to a number of anime and manga-themed exhibitions.

## **Hong Kong**

Hong Kong is a major international city with a thriving geek culture scene. The city is home to a number of popular conventions, including the Hong Kong Comic Con and the Ani-Com & Games Hong Kong. Hong Kong also has a number of geek-themed attractions, such as the Hong Kong Disneyland Resort and the Hong Kong Science Museum. If you're a fan of anime and manga, be sure to check out the PMQ, which is home to a number of anime and manga-themed shops and galleries.

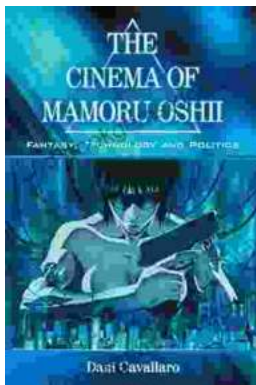

Asia is a vast and diverse continent with something to offer everyone. If you're a geek looking for a new adventure, be sure to check out one of the many cool geek guides in Asia. You're sure to have an unforgettable experience.
