The Obsession by Meyer Levin is a powerful and gripping novel that explores the dark side of human nature. The story follows the lives of three characters—a brilliant surgeon, his beautiful wife, and a mysterious stranger—as they become entangled in a web of love, betrayal, and revenge.

Dr. Markheim is a brilliant surgeon who is at the top of his profession. He is married to the beautiful and loving Nora, and they have a happy and fulfilling life together. However, their happiness is shattered when Markheim meets the mysterious stranger, a woman named Helen.

Helen is a beautiful and enigmatic woman who quickly becomes obsessed with Markheim. She uses her charms to seduce him, and soon they are having an affair. However, Markheim's affair with Helen does not remain a

secret for long. Nora discovers the truth, and she is devastated. She confronts Markheim, and he is forced to confess his infidelity.

Nora is heartbroken, but she is also determined to get revenge. She hires a private detective to follow Markheim and Helen, and she soon learns that Helen is a dangerous and manipulative woman. Nora also learns that Helen has been stalking her and her husband, and that she is planning to kill them both.

Nora is terrified, but she is also determined to protect herself and her husband. She confronts Helen, and the two women have a violent confrontation. Nora is injured in the fight, but she is able to escape. She returns home and tells Markheim what has happened, and they decide to go to the police.

The police arrest Helen, and she is charged with attempted murder. Markheim and Nora are relieved that Helen is behind bars, but they know that she will never stop trying to get revenge. They live in fear for their lives, and they are never able to truly escape the obsession that has haunted them.
